FANTASTIC FJORDS & GLACIAL ATTRACTIONS

Some of cruising's most dramatic sights are to be found in northern latitudes — like the glacier-carved landscapes of Norway and Iceland. Fjords are deep water-filled canyon channels with steep cliff faces, carved by the advancing and retreating of glaciers. On our Fire & Ice and Iceland & Norway sailings on the intimate Pacific Princess®, as well as Norway itineraries on Crown Princess®, you'll have the opportunity to see these natural wonders including one of the most fabled Norwegian fjords, breathtaking Geirangerfjord, and Iceland's spectacular Eastern Fjords near the port of Seydisfjörður.

Tromsø, Norway

You can see the sights during the day, and experience the nightlife after dark. With Late Night (9 pm or later), Overnight, or 2-Day Experience calls.

THE MIDNIGHT SUN

As the days grow longer in the far north, the “sunset” never quite reaches the horizon before rising back up again. The summer sun remains in the sky for a full 24 hours. It’s called the Midnight Sun, something you can only see if you venture inside the Arctic Circle at precisely the right time of year. And Princess® can take you there. Choose among several sailings that bring you to the dramatic North Cape, well inside the Arctic Circle, including the sensational 18-day Midnight Sun & Spitsbergen sailing on the intimate Pacific Princess®, and see this dramatic phenomenon for yourself!

3. How do you choose the itinerary that's best for you?

Simply decide on the length of vacation time you have and any places and experiences to check off your travel bucket list, and you're on your way.

4. What's your budget?

Your cruise fare is determined by several factors — destination and length, time of year, stateroom choice and availability. Stateroom fares are quoted per person and based on double occupancy — with elegant and casual dining options, onboard entertainment like production

shows, musicians and comedians, a Las Vegas-style casino and much more included with your fare.

5. Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 guests to smaller, more intimate vessels accommodating just 680. Ask your travel consultant for more details, or visit princess.com/ships to learn more about each of our ships or to take a virtual tour of their public areas.

6. What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathroom. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities, including a luxury mattress and pillows. An oceanview double includes a large picture window, providing added ambiance and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit princess.com/staterooms.

7. Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to get away from it all. Book early for the best selection of staterooms. Be sure to inquire about having your group's staterooms close to one another. For those sailing with kids, our onboard youth and teen programs are excellent, and family-friendly shore excursions are available.*

*Youth centers not available on Pacific Princess[®]. Youth and teen programs are available when at least 20 guests ages 3–17 are sailing.

8. Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from your ship to your airport or hotel. Princess EZair[®] is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you on board at the next available port in the event you miss your embarkation. And our Cruise Plus[®] Hotel program offers peace of mind and convenience, with excellent centrally located hotels to stay in before or after your voyage. To learn more about Princess EZair, our Cruise Plus Hotel program and available transfer options, ask your travel consultant or visit princess.com.

9. What kinds of land and shore excursions most interest you?

From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination on an award-winning shore or land excursion offered by Princess. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Book your shore excursions early for the best selection and availability. Contact your travel consultant or visit princess.com/excursions to learn more.

10. What if you need to cancel?

It is important to note that there are restrictions regarding fare refunds, and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date that Princess Cruises is notified of your cancellation. Visit princess.com for specific details. For a great option to protect your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel consultant for more details.
